

Attention All BASC Referee's,

It has come to the attention of the BASC that failure to report earnings for referee services could expose our club to significant penalties from Federal and State authorities. It is imperative that we collect information necessary to ensure we are in compliance with all Federal and State income reporting regulations. Therefore, we are asking that all referees earning pay for their services complete and submit a W-9 form.

Please download and print the W-9 form, complete it, and submit to Mr. Jim Brittain – BASC Referee Coordinator, fax to the BASC office at (918) 258-5967, mail it to the BASC office at PO Box 872, Broken Arrow, OK 74013, or deliver to the BASC office at 803 A North Elm Place (next to Egg Roll Express).

Thank you in advance for your attention to this important matter, and moreover, thank you for your continued service to our club and to our youth.

Sincerely,
BASC President
